Instruction at appropriate level of learner	X					
Professional characteristics when interacting with learners maturity, respectfulness, encouragement, humility, responsiveness to questions	X					
Effectiveness of teaching aids	X					
OVERALL ASSESSMENT	X					
General Comments						
“The cases were very realistic and resonated with participants.” “Dr. X is great. She is an outstanding teacher.”						
Strengths						
“Different modalities (PowerPoint, videos, and interactive scenarios) kept it interesting and reinforced objectives, stimulating different ways to learn (visual vs. auditory vs interpersonal).” “Great communication.”						
Suggestions for Improvement						
“Only thing I can think of is tighter budgeting of time so all 4 cases can be discussed and still allow time for closing comments.”
